
[article comments]Cosina-Voigtlander Lens Status Updates

Posted by Nando - 2007/05/29 21:46

[Back to Article](#)

I went on the cosina.co.jp website today and I think that the 28mm/f1,9 Ultron and the 50mm/f2,5 Color-Skopar are also being discontinued. The babelfish translation wasn't very good but I think that's what the announcement was.
